Sir:

The present amendments and remarks are in response to the August 10, 2005 Office Action where the Examiner rejected claims 1-16 and 26. Before reconsideration of the present Application, please enter this Amendment and consider the accompanying responsive remarks.

**INTRODUCTORY COMMENTS FOR AMENDMENTS**

Please amend the claims in the manner indicated below. In the following amendments, an underline is used to indicate added text, and strikeouts are used to indicate deleted text. Brackets may also be used for deleted text or characters when strikeouts are not sufficiently clear, e.g., such as striking out a hyphen.

Claim 1 has been amended to incorporate the limitation of the dispensing system being an ink-jet printing dispensing system. Support for this amendment can be found in original claim 2

Claim 26 has also been amended to incorporate the limitation of the dispensing means being an ink-jet printing means and derives its support from the same place.
